November 12, 2024

**To Whom It May Concern:**

Good day! I, Tenizbaeva Svetlana Bakirovna, the Director of SOS **Hermann Gmeiner School**, am pleased to present to you Bolotbekov Tagay, one of the most outstanding students in our school.

Tagay is an excellent student, and throughout his time at our school, he has never received anything lower than an A and has had no disciplinary remarks. His academic success is the result of his dedication, discipline, and a strong desire to learn. I would especially like to highlight his exceptional abilities in mathematics, where he has achieved significant success and actively participated in regional Olympiads, representing our school with pride.

In addition to his academic achievements, Tagay is actively involved in sports and represents our country as a member of the youth national football team. His selflessness and dedication to the sport always inspire his classmates and teammates. Tagay is the kind of player who is always willing to sacrifice himself for the team's success, often demonstrating remarkable determination on the field. His willingness to "sacrifice himself" for the team, including making difficult plays and taking risks, is a clear example of his strong spirit and commitment.

Tagay is also very involved in school life as the Minister of Sports, which demonstrates his leadership qualities and ability to organize events, engaging other students in active sports activities. He plays an important role in fostering a strong sports culture at our school and is a model for his peers in terms of discipline and striving for success.

I am confident that Tagay will continue to achieve great success in the future, and I highly recommend him for any programs or opportunities that require responsibility, leadership, and determination.

Sincerely,  
**Tenizbaeva Svetlana Bakirovna**  
Director of SOS **Hermann Gmeiner School**
